

The Campbell River Visitor Centre Staff will be following social distancing and protective measures to ensure your safety and the safety of our team.

- We will be maintaining physical distancing procedures by remaining behind the counter during your visit.
- If an employee comes out to the retail floor, they will wear a mask.
- A maximum of 4 visitors are permitted in the Visitor Centre at one time.
- Please respect the floor marking in front of the counter to ensure social distancing with our staff.
- Our staff will be disinfecting high-touch surfaces multiple times per day.
- All our service staff will be washing or sanitizing their hands after each interaction.

In order for us to keep everyone safe, we are asking you to follow the following guidelines:

- We request all visitors to please apply hand sanitizer upon entering the Visitor Centre and before touching any items.
- Please maintain a minimum of 6 feet between you and any other visitor.
- Please give the Visitor Centre staff time to sanitize the counter and point of sale before approaching the counter.
- If you touch an item you are not taking or buying, we ask that you place that item in the provided boxes for sanitation.
- If you would like an item and do not want to take it off the shelf, we will gladly get you the item from behind the counter.
- Please DO NOT ENTER if you are experiencing a fever, have a cough, or any flu like symptoms.

Please be patient with us.

This is a new frontier and we are excited and cautious.
